「隊伍服務最高時數獎」獎狀

恭喜！今年已是本校女童軍(141 NT Coy)連續第五年獲頒「優秀隊伍」獎項。本年度本隊在行政活動、訓練各方面表現優異，再度獲選為優秀隊伍，實感光榮及歡欣。此外，本隊更獲得「隊伍服務最高時數獎」，以表揚隊員積極參與社區服務。以上獎項已在「百周年大會操暨嘉年華」頒發，由鍾校長及三位持旗隊員 (4C 賴曉穎、4A 黃樂怡、2A 鄺恩澄) 代表領獎。

## 女童軍參與「舞動全城」表演後分享感受

### 學生感言

很榮幸今年能為女童軍 100 週年嘉年華的表演者，過往兩年都是在台下觀看典禮，看著台上的人落力演出，自己也想成為其中一份子。今年大會準備了一個特別的表演節目－「舞動全城」，顧名思義這個項目是以舞蹈將歡樂及笑聲填滿沙田馬場上的每一寸土地，把氣氛變得更熱鬧。

我一向也很喜歡跳舞，所以我便參加了這項表演。排練過程充滿了歡樂及汗水，各隊員都努力練習，雖然疲倦但臉上都掛著笑容。到了表演當日，我又緊張又擔憂，不知觀眾的反應如何？自己在台上的表現是好還是壞？但這一切的煩惱在我看見觀眾的笑容後便全都消失，我頓時感到十分滿足，兩星期的艱辛排練也是值得，自己終於能成為表演的一份子。

4C 徐蘊楹

我一直都對跳舞很有興趣，所以便參加了今年大會操的「舞動全城」。而且今年是香港女童軍 100 週年，我不希望自己在這有價值的一年都只是一個觀眾，很想自己更投入地參與這件盛事。

在排練的過程中，雖然是頗辛苦，但是在表演的時候，我卻很滿足。在台上看到觀眾的笑容，突然之間覺得之前所有辛苦的訓練都是值得的。

## Topic: Will Donald Trump destroy the world?

Recently on the internet it is said that there were two unforgettable days for American people. The first one was 9.11, while the second one was 11.9, the day Donald Trump successfully got elected as the next president of the United

States. It was a desperate result to many people, as more than a few people think he is crazy. Some even claim that World War III will break out sooner or later, destroying the world.

However, I think the situation is exaggerated. Donald Trump is not a mad man. He's simply a showman. While his opponents in both his party and his opponent's party have years of experience, he made extravagant claims and speeches during the election to grab public attention and support, especially from the more radical elements. For example, he claimed that a wall would be built along the border with Mexico in order to block the illegal Mexican immigrants, and he said that the Mexican government would need to pay for it in full. He also promised to forbid all Muslim immigration from the Middle East until they figure out how to screen out the terrorists. However, he has avoided talking about these issues since he was elected. He had also promised to abolish the Health Care Reform. However, right after he was elected, in an official meeting with Obama, he agreed not to abolish it. All these examples show that what Trump said in the election might just be a show. Also, Trump is a wealthy businessman who has a net worth of US\$3,7 billion, so will he want to launch the WWII which will surely have a negative impact on or even destroy his business? I don't think so. He just wants to benefit from his policies.

However, Trump may still manage to shorten the number of days to the end of the world. He doesn't believe in global warming. Environmental Protection policies and measures will affect his interests and those of the people behind him in the Republican. Therefore, he may put no effort into relieving the global warming problem in the future, and he may even make the environmental policies looser. The USA is the second largest producer of CO<sub>2</sub> in the world. This would surely aggravate global warming, and speed up the destruction of the world, so mad man or show man.... Either way, we should be afraid.
