## The Ringing Ten

2006.3.20

寶安商會王少清中學定期通訊/通告，逢每月十、二十及三十日派發。

### 校長話：「點解要針對我個仔」

孩子向父母投訴「個先生成日針對我」，作為家長的你當然會感到很為難，甚至會怒氣沖沖，要為孩子「討回公道」。

你的孩子通常不會說謊。問題可能出於孩子的誤解，出於看問題的觀點與角度有偏差，出於未能將實況全面地向家長反映。請先想一想，老師忙得要命，經常心力交瘁，會不會無緣無故的「針對我個仔」，自討苦吃呢？

**「個 Miss 人人都唔罰，淨係罰我！」**

老師處理的每一次學生違規事件，「我個仔」都可能清楚了解？

**「上次罰咗，今次又罰！」**

是的，每一次違規行為都要個別處理。請支持負責任的老師執行任務。

**「你捉佢地唔到就唔應該捉我！」**

請不要支持這種歪理。正如警察不可能將所有的違法者都緝拿歸案，老師亦不可能偵破所有學生的違規行為。但是，有衝紅燈者逍遙法外，並不表示衝紅燈就不是罪過。

所以，請家長先聽一聽「針對我個仔」的那位老師的解釋。最好面對面談。你會明白，老師針對的是違規行為，不是「我個仔」。

本校實施嚴明的校規，在升中簡介中，開宗明義強調報考者要「願意接受嚴謹的管教」。應家長的要求，限制違規行為是每一位老師的責任。如需要協助，可聯絡社工吳姑娘或校長。

## 新加坡教育部考察我校英語教學

新加坡教育部英語教育考察團訪港，在香港大學教育學院的推薦下，考察團於三月十五日下午到本校參觀英語教學實況，並進行教學交流。

該團由新加坡教育部課程策劃及發展總監何品司長率領，一行四人觀察了我校 F.2、F.3、F.6 同學上英語課，欣賞了 F.1 同學在「英語藝墟」表演的五套英語短劇，考察了我校英語教學設施，並與李校長及英文科老師進行詳談，交流英語教學心得。何司長對本校的 ERS、ELMS、Free Writing、SBA 等教英語意念和運作表示了極大興趣，各團員對本校學生的英語水平和行為表現極為肯定，對本校英語老師的專業效能和團隊氣氛更是由衷欣賞，又特別索取了我校設計的英語教學材料和 DVD 等回國參考。雙方都認為這是一次非常成功的訪問，為我校組織赴新加坡英語遊學團打開了大門。

## 新加坡教育專家對我校的印象

臨別依依，新加坡教育部司長何品女士在座談會上作了總結，她說：

“What we saw this afternoon has been very, very heartening. We actually see a school that really puts the child at the center. You are very targeted, very focused, wanting to make sure that the child really speaks and is able to use the language very well.

I can see in fact there is a very close relationship. First of all I would sense just from this afternoon's interaction, the relationship between the Principal and the teachers is very close. The other thing that comes before us is the relationship between the teachers and teachers and the students. Without the commitment of the teachers, many of the things we have seen would not be possible.

So it's not really teaching with the heart, but also teaching with the mind. Some of these things may actually have been done in Singapore, but I think you have gone one step forward. For example, your mentoring programme. (ELMS, English Language Mentoring Scheme). What I see is actually something that helps it look very well. There is certain structure built in, and the structure is actually in the form of the Log Book. Actually we have all these things going on (in Singapore), but without this particular structure, it is very hard to know whether it is done systematically. So you've put something there, but you have also ensured that there is a system that is working.

I think it's very, very heartening this afternoon. It is a whole-school effort towards making English come alive for the students, and it is also the creativity that has come in to make sure things are working very well. I think you have got very good outcomes as I can see. I really want to congratulate all of you here. We are going to take home some of these ideas. So we will borrow some of your ideas and acknowledge it and say that these actually come from Wong Siu Ching.”

## Selections from F.1 & 2 Free Writings

### 中一及中二學生英文自由寫(日記)選輯

I like reading. I have said that before. Now, I like reading detective stories by Jeffrey Deaver. The Bone Collector, The Coffin Dancer, The Empty Chair and The Stone Monkey are his books. The Bone Collector has been made into a movie. The leading character is a detective called Lincoln. While you are reading, you feel like you have become a character in the book.

Another writer Lawrence Sanders writes horror stories. The front cover of his books are scary but I am not afraid of them. I am reading his book Mathew Scudder. It is so good that I cannot stop reading them!

I will share with you when I find some good books.

It is the first time I have got full marks in the English dictation. I'm so happy about that.

Before the dictation, I promised my mum to get more than 90 marks. I have done more than I promised. My mum and I are so happy. I know it is all because of my hard work.

In primary school, it was very easy to get full marks in dictations. I once succeeded in getting full marks five times. However, things are different in secondary school, you have to try really hard to get a good result.

#### *Chan Ping Ting F.2*

Today we went to school to watch "Much Ado About Nothing". I paid close attention to the props, the costumes and gestures of the characters, as I know we are going to perform the play. We found that the clothes would not be very hard to make because they are quite simple really, at least simpler than the other three Shakespearean plays.

After watching the film, our group members discussed the costumes and the props. It is going to be a demanding job for us but we will try our best.

Help! We have just come back from school for about two weeks after the Chinese New Year holiday but we have thousands of projects to do!

At the New Year, we did the Geography and English projects. Now we have Maths, Science, A.E., History, Chinese History projects. I really want to ask the teachers if they are crazy. We are humans, not robots! How can we handle so many projects? Why don't we change the name of the school to "Lots of Projects Secondary School"?

Next Monday, I will have to hand in the homework, the Maths project and do the English and Chinese dictations. I will soon get mad for studying in this crazy school. You will find me in the madhouse soon. Do not visit me! I will kill all the teachers!!!
