

Our school is going to organize the first UK study tour from July 3 to July 15 2017. Throughout the trip, students are going to study at a local language school and live with the host family. Not only does it strengthen their communication skills in English, but their horizon will also be widened. You may also follow us on [Facebook](#).

Our itinerary is as follows:

		Morning (09:00-12:30)	Afternoon (14:00-18:00)	Evening
