

Award recipients of The Chemists Online Self-study Award Scheme (COSAS) 2017

In order to promote self-directed learning for chemistry students, some of our chemistry students were nominated to join COSAS 2017. The Chemists Online Self-study Award Scheme is a student-spaced learning program for local senior secondary school students. It is jointly organized by the Hong Kong Virtual University and the Science Education Section of the Education Bureau.

This one-year online seminar program which is collaboratively organized by universities and secondary schools in Hong Kong. It aims at nurturing scientific literacy and questioning skills of secondary school students by providing them with exposure to university education through the use of appropriate e-learning facilities.

In the academic year 2016-2017, students in our school received 23 Diamond, 4 Platinum, 5 Gold, 3 Silver, 28 Bronze awards in the Scheme. Congratulations to the students!
