Dearest Josie,

How's everything going in Canada? I'm sorry for taking so much time to write you a reply. I've been busy preparing for my upcoming first term test >\_< It's great to know that you are coming to Hong Kong soon. In your last letter, you mentioned that you are interested in joining some art activities and visiting historical sites in Central. Let me give you some advice.

First of all, we can meet each other at Central Station, Exit A on 24th October at 10 a.m. Then we can go to the St John Cathedral. It is one of the oldest churches in Hong Kong. It is built in a shape of a cross with an impressive architectural design. The church has played a symbolic and enduring role in Hong Kong's history. Throughout the years, St John's has shared in Hong Kong's ups and downs, particularly when it suffered damage during the Second World War. As a result, many tourists, even the locals, go there and admire its beauty. I know you like buildings with antique designs so you'll love it very much.

Next, I'll take you to the Central Police Station. It is built in a mixture of Chinese and Western architectural style. Though the importance of the Central Police Station declined, it will soon be revitalized and bring culture and leisure experiences for all to enjoy.

Then, we will go to visit art galleries on Hollywood Road. There is a wide variety of modern art masterpieces for visitors to choose from. We can also find Chinese antiques like ceramics and wood carvings there.

After visiting the historical sites, we will go to the Picasso Art Studio to join the 'Art Jamming' course. The activity is totally free of charge, yet we may have to book in advance. We just need to create by using a paint brush. We can take away our masterpieces and show them to friends and family afterwards. It will so much fun!

Last but not least, we will go to the Hong Kong Cultural Center in Tsim Sha Tsui. It's a place near your hotel. We are going to watch a dance show there. The show is called 'Out of the Box'. It is a show which combines various dance styles like hip hop, ballet and tap dancing together. I know you like to dance in your free time so you should go there.

That's all for my plan on 24th October. If you want to change anything, don't hesitate to tell me. I'm looking forward to hearing from you soon.

Regards,

Chris

P.S. Please bring along your camera with you and take beautiful pictures during your stay in Hong Kong.
