Subject:Re: My Trip to Hong Kong

Hi Kelvin!

Thanks for the email. I'm glad that you are coming to Hong Kong soon. I'd like to show you around. I've got a few suggestions.

First of all, it might be a good idea to go shopping in Mong Kok after checking in. You can go shopping at the Sino Center. There are many shops selling electronic products and CDs. I'm sure that you'll love going there. You can buy up-to-date electronic gadgets such as headphones and speakers.

In addition, you could go to Tai O and the Peak on Hong Kong Island for sightseeing. You can take the Peak Tram there and buy unique souvenirs like T-shirts and key chains for your friends and family. Most importantly, the scenery there is really breathtaking. You should take some photos with it. Apart from travelling at the Peak, it would be nice to go to Tai O. The view there is picturesque. You can watch the China White Dolphin by taking a boat ride. The dolphins are adorable because of the pink skin.

Last but not least, you should try some traditional local food. I suggest you to try the egg waffles. It is famous in Hong Kong and most people love it. Perhaps you can try it after shopping at Sino Center. Also, you should go to eat at the traditional Chinese restaurant. The dim sum sold there is delicious.

I hope you find these suggestions helpful. I will meet you at the airport on the day you arrived Hong Kong. Let me know what you think about my plan.

I'm looking forward to seeing you soon.

Regards,

Sally
