Subject:Re: My Trip to Hong Kong

Hi Kelvin!

Thanks for the email. I am glad that you are coming to Hong Kong soon. We will meet at the airport and I would love to show you around. I've got a few suggestions.

For shopping place, it might be a good idea to go to Yoho Mall. Yoho Mall is a newly built shopping mall in Yuen Long. It only takes you half an hour to get there by the West Rail. The shopping mall has a convenient location as it's right next to the MTR station. Yoho Mall is the biggest shopping center in Yuen Long. It offers a variety of shops ranging from basic necessities to expensive items. I'm sure you can buy some unique items there.

For scenic spots, you should definitely go to Hong Kong Wetland Park. First of all, it's far away from the city center and you can enjoy the fresh air there. In addition, you can meet the wetland animals and plants in Hong Kong Wetland Park. While visiting the exhibition centers, you will be able to learn more about wildlife conservation. Most importantly, the tickets are cheap in price. It only costs us \$15 for each person. It's a place we should not miss.

For restaurants and local food, how about going to have dinner at the famous Chinese restaurant in Yuen Long – Tai Wing Wah. This Chinese restaurant is well-known because it was long established since 1950. Apart from trying the traditional dim sum, you can also try some barbecued food such as roasted duck and barbecued pork. You could try some local food when you have time too. I suggest you to try the curry fish balls, egg tarts and pig intestines.

I hope you find these suggestions helpful. I will meet you at the airport on the day you arrived Hong Kong. Let me know what you think about my plan.

I'm looking forward to seeing you soon.

Regards,

Sally
